Sickness & Distress

Please notify the Secretary of sickness and
distress.

Greetings from the East

Brethren,

We are Masons! As Masons we have a lifelong journey which requires us from time to time to perform our cherished masonic ritual work. Masonic ritual work is not only beautiful in style and form when done correctly, but it also leaves a lasting impression on those who perform, and are recipients of it.

In Masonry we talk about paths. As we journey further along our individual paths, we are blessed when we get to meet our brothers who are very knowledgeable of the works, and are not hesitant to provide mentorship to young Master Masons. As Master Masons, we may have the opportunity to be called upon from other Worshipful Masters to be of assistance in degree work. It would behoove of us to be prepared and willing to provide such assistance.

As your Worshipful Master, I'm tasking all Master Masons of our lodge who have not performed the WM part of the EA, FC or MM degree to choose a degree and learn it from start to finish, because in the not too distant future our Fellow Crafts and Entered Apprentices will become Masters as well and we should be able to ensure continued mentorship to them, and pass on the tradition as it should be. Additionally, I am also requesting that all of our proficient MM who have done the degree work to be prepared to give a hand and be mentors as well, because your knowledge is valuable and its well past time to extract it.

Fraternally Yours,

WM Marty Johnson
